

Site Map — Home & Membership

Pages in site 6
Mapped here index.html (page 2), membership.html (page 3)
Depth Page → section, in scroll order

PERSISTENT ACROSS ALL 6 PAGES

GLOBAL NAVIGATION BAR

nav.site-nav · identical markup on every page · collapses to a hamburger below 992px

BRAND

UTAR ESPORT → index.html

PRIMARY LINKS (6)

HOME · index.html

ABOUT · about.html

TOURNAMENT · tournament.html

PAST EVENTS · events.html

MEMBERSHIP · membership.html

CONTACT · contact.html

SOCIAL LINKS (5, EXTERNAL)

Instagram

Discord

YouTube

TikTok

Facebook

The two orange links are the pages mapped on the following sheets. Both maps inherit this bar – it is not repeated inside them.

LEGEND

Page section Overlay / dialog Link to another page External link

Vertical rules connect sections in scroll order, top to bottom. Dialogs are drawn detached because they open over the page rather than replacing it.

MAP 1 — HOME PAGE

index.html · 5 sections

Single scrolling page. A dot navigation rail on the right is generated from the five [data-section] blocks and jumps between them.

01 HERO section.hero · full-viewport

- H1 — “WELCOME TO UTAR ESPORT”
- Supporting line on connecting, competing and excelling
- **Button: JOIN NOW** → opens sign-up dialog

02 WHO WE ARE section.about-who

- Heading — “MORE THAN JUST A GAMING CLUB”
- One paragraph introducing the club and who it is for

03 WHAT WE DO section.about-what · 3-card grid

Compete

Train

Connect

Copy only — no links out of this section.

04 EXPLORE section.explore · 4 image cards

Each whole card is a link. This section is the home page’s route into the four secondary pages.

ABOUT US

→ [about.html](#)

TOURNAMENTS

→ [tournament.html](#)

PAST EVENTS

→ [events.html](#)

CONTACT

→ [contact.html](#)

05 MEMBER PERK — VOUCHER section.voucher

- Heading — “ONE RINGGIT OFF YOUR FIRST YEAR”, plus explanation
- **Button: CLAIM VOUCHER** → [membership.html](#)
- **Tear-off ticket graphic** → [membership.html](#)
- Once claimed, the section shows a CLAIMED state on return visits

SIGN-UP DIALOG overlay, not a page · #registerModal

Opened by JOIN NOW in the hero. Two steps: **Your details** then **Payment**. The same dialog exists on the membership page, so a visitor never leaves the page they are on to sign up.

MAP 2 — MEMBERSHIP PAGE

membership.html · 3 sections

Reached from the global nav, from the home page voucher, or direct. No dot navigation on this page.

INBOUND Map 1 \$05 voucher (button + ticket) and the MEMBERSHIP nav link both arrive here.

01 PAGE HEADER `header.pricing-header`

- Eyebrow — UTAR ESPORT CLUB
- H1 — MEMBERSHIP
- Subtitle framing the two tiers

02 PLAN CARDS `div.pricing-grid · 2 tiers side by side`

CASUAL · RM5 / yr

Description, price, 4 included perks, footnote

JOIN NOW → dialog, Casual preselected

COMPETITIVE · RM15 / yr

Description, price, 5 included perks, footnote

JOIN NOW → dialog, Competitive preselected

03 COMPARE PLANS `div.container-spec-sheet · table`

Eight feature rows across both tiers: Discord + ladder access, priority event seating, main roster trial, booked practice blocks, coaching clinics, entry fees covered, merch discount, AGM vote.

Reference content — no links out.

SIGN-UP DIALOG `overlay, not a page · #registerModal`

Same two-step dialog as the home page, opened by either JOIN NOW button with that tier already selected. This is the end point of the membership journey — there is no separate checkout page.
